MILLINERY AND LADIES' READY-TO-WEAR

Our buyers have returned from the markets and our goods are arriving daily.

HATS

Our this season's hats are the latest in style and the prettiest designs we have had the pleasure of showing.

COATS

Every woman needs a medium weight coat for spring. We are showing some very charming models in the season's most popular colors and styles.

SUITS

If you have been waiting for spring to get a suit at the new prices, now is the time to buy it. May we have the pleasure of showing you?

These goods represent the last word in styles in fabric. You will be agreeably surprised at the prices, too, they being lower than in three years past and as low as we can possibly make them. Mrs. Cleve Andrews Cotton is with us this season.

Secret of Success

I have been asked to define the true secret of success. It is thrift in all its phases, and especially thrift as applied to saving. Saving creates independence, gives a young man standing, fills him with vigor, stimulates him with proper energy; in fact, it brings to him the best part of any success—happiness and contentment.—Sir Thomas Lipton.
